[ Design Experience ]

Marketing Intern, Give2Asia

San Francisco, California / 2018

This marketing internship was consisted of research and content development for social media and creation of informational videos for STEM week. I also learned storyboarding firsthand for an animated web series I helped create on Disaster Preparedness Month.

Freelance

San Francisco California, 2018

Collaborated and designed various cover layouts and titles for a potential Amazon book series called Poop and Triangle as well as images for its in-the-works web spin-off series.

Junior Graphic Designer, Adept Artvertising Agency

New Delhi, India / 2015–2016

Some of my duties included designing visual content and motion media for social platforms. I utilized my knowledge of Sony Vegas Pro to create engaging sizzle reels for the Almond Board of California.
